BS Filing Cabinets

1. Label holder

2. BS lock and key

3. Filing drawer suitable for suspension filing

The BS cabinet is strong and quiet. Its fully-welded carcass makes it suitably robust, while roller bearing slides ensure ultimate ease of use; a 'positive closing device' allows the drawer to close with precision, from the lightest of touches. It comes in two, three, four and five-drawer versions and a choice of fronts – classic (with neat polished handle) or flush (with finger-pull action) in either A4 or Foolscap dimensions.

- Designed for suspension filing
- Fully welded carcass without bolts or rivets for greater strength and cleaner line
- Backs and sides are pierced to enable units to be bolted together
- Mastered lock with 200 differs
